**No previous teaching experience is necessary.** Practically Speaking English is a cutting edge ministry using the fundamentals of friendship evangelism. Join us in assistant teaching or teaching conversational English, making friends, and sharing Christ during unique English classes. Adults, children and teens will all be reached with this ministry. Mandatory training (provided by Jody Kennedy International) is required to prepare you for one of these ministries.

For older teen and adult students, we offer two different courses. Our signature course, **Practically Speaking English** is taught on five different levels of speaking ability from non-speakers through advanced level speakers. This ministry is recommended for Christian adult volunteers.

Additionally, we offer **Practically Speaking Business English**. This is an innovative, distinctive ministry using the fundamentals of friendship evangelism. This course is taught to intermediate and advanced university students and business professionals. The curriculum has been developed exclusively for this ministry. This ministry is recommended for Christian professionals and semi-professionals who have had at least 7 years of business experience.

**Practically Speaking Teen English** is taught at the primary and beginner levels to young teens ages 13-15 years. **Practically Speaking Children's English** is a high energy, introductory English class using music, puppets and storytelling. Spiritual truths and the gospel are presented in the native language. These ministries are recommended for Christian adults and mature teens (as assistants to adult teachers).

Through our **medical/dental clinics** the loving hands of medical professionals and non-medical volunteers provide much needed basic medical and dental care. In partnership with a local church, each visitor to our clinic receives a personal gospel message and is connected with the local church.

# MISSIONS MADE EASY

## 2012 Event Schedule

### OUR MISSION

**To directly share the Gospel of Christ with people we encounter and to connect them to a like-faith, Bible teaching fellowship through:**

- Evangelism with Practically Speaking English (adults, young teens and children)
- Evangelism through medical teams
- Preaching, Discipleship, Seminars (assisting churches)
- Train, organize, equip and lead lay teams for projects in the U.S. and Latin America and other countries as God leads
- Mobilize Christians to get involved in evangelistic service at home and abroad

### OUR OPPORTUNITIES

**Can you speak English? Can you hold a cue card while others repeat the English word? Can you smile and be encouraging to a friend? Can you stand by and pray? Can you hand me a tool? Can you give a child a high five?**

You probably answered the above with "I can do that." This brochure lists all of our upcoming opportunities.

Who can join us? You must be:

- A born again follower of Jesus Christ
- An active member of a Bible believing, evangelical church
- An adult (unless traveling with a parent)
- Able to speak English

- Be willing to be a servant to the rest of the team
- Be willing to attend a training session
- Have a valid U.S. passport (for international ministries)
- Agree to our personal covenant and liability release
