

# MISSIONS MADE EASY

with Jody Kennedy International

## HOW DO WE HELP YOUR CHURCH? We help by ...

- Taking the load off of church staff and lay leaders (we do all the time-consuming work)
- Motivating and mobilizing your church through Spirit led orientations, sermons, training and testimony
- Raising the awareness of the need for participation in short-term, direct missions through going and sending
- Providing a variety of dates and venues so your church members have flexibility
- Facilitating participation by one or two church members or an entire team
- Keeping our costs, and therefore mission prices as low as possible
- Giving your members the opportunity to participate in exciting, cutting-edge, point of the spear missions
- Returning church members to you with a new excitement and motivation for other Christian service

## WHAT IS THE RESULT FOR YOUR CHURCH? The result is ...

- Church members are moved to deeper spiritual understanding of how they can be used in Kingdom work
- Church members are motivated to other forms of service
- Church members give testimony of how God is using ordinary people in extraordinary ways
- More church members are motivated to go on short-term, direct missions
- More church members are motivated to give toward sending people on missions

## WHAT IS DIFFERENT ABOUT OUR MISSIONS? Our missions ...

- Are all about evangelism and the follow-up that results in new Christians in fellowship with a local church
- Put the volunteer in the position to succeed and be a vital part of the team
- Put the volunteer at the “point of the spear” as the point of contact with the lost
- Do not waste the volunteers’ time or money with excessive tourism and other non-mission related activities
- Make wise and efficient use of time, materials, money, volunteers and other resources
- Are not enamored with the latest fads in missions, but we use proven methods of evangelism while being open to the Holy Spirit to respond to new situations and opportunities
- Are frontline evangelism opportunities, not tourism opportunities

## WHO ARE WE? We are...

- Called by God into full-time service in 2000
- Southern Baptist faith missionaries
- Ordinary people who came out of professional careers
- Equipping lay people in short-term, direct missions (since 1992)

## WHAT IS OUR MISSION? Our mission is ...

- Leading volunteer teams in point of the spear evangelism through Practically Speaking English adult, teen and children’s events, medical and clinical events, conferences, discipleship, and public school events
- Motivating and mobilizing ordinary Christians, with a wide variety of backgrounds, to short-term missions
- Providing excellent pre-trip, comprehensive training, orientation and preparation
- Personally supervising the preparation of the mission venue in the host country
- Enabling the volunteer to be successful and to grow spiritually while in the field
- Maintain the focus of evangelism (not distracted by “good” works or site seeing, and thereby missing opportunities to do the “greater” work)
- Managing and executing turn-key mission events (training, travel, logistics, materials, insurance, etc.)
